**MOORING CELL MAINTENANCE AND REHABILITATION**

**OHIO RIVER, MILE 155.1**

Notice is given that on or about 8 November 2021, Marion Hill Associates, contractor for St. Mary's Refining Company will begin mooring cell maintenance and rehabilitation on the left descending bank of the Ohio River, mile 155.1.

The contractor's floating plant will consist of the M/V MCKENZIE J LYNN, one crane barge, one deck flat, and one work barge. The M/V MCKENZIE J LYNN will be monitoring marine channel 13. The work will be performed Monday through Friday, 7:00 a.m. to 5:00 p.m. and is anticipated to be completed by 22 November 2021. During non-working hours, the floating plant will be moored at the work site and lighted according to regulations.

Mariners are urged to transit at their slowest safest speed to minimize wake and to proceed with caution.
